3.	Document Manager	. 2

Recent Changes

Fixes

1. Maintenance

[82146] Resolved an issue where linking an equipment to a component did not carry over the Materials, Scheduled Jobs and Documents connected to the component.

2. Procurement

□ [82147] Resolved an issue on the **Compare Quotes** screen where the **Amount Base** column was not updated correctly after the user undid the approval and edited the quantity on the **Update Qty Approved** screen (using **Ok** – **with updates** option). This issue only occurred for records created in BN2.10SP1.
